\*Winners will be based on average books read per student from March 1-31, 2024. Winning schools will receive a link to the Reading Eggs store to select up to \$300 USD in materials. We will order the selected material and ship directly to winning schools. Winners will be contacted through the email address provided upon signing up by April 5 2024 to coordinate prize selection and delivery.

# Did You Know?

**Reading Eggs aligns with Georgia's Literacy Act!**

Reading Eggs, the multi-award winning online reading program, is aligned with **Georgia's Literacy for Learning, Living, and Leading (L4) Plan** to ensure administrators and educators have a powerful tool to meet the state's literacy goals.

Designed by educators for PreK-5 students, Reading Eggs harnesses the proven power of the five essential pillars of the **Science of Reading**: phonics, phonemic awareness, vocabulary, fluency and comprehension.

**Fast Phonics** focuses on phonemic awareness & phonics by employing the systematic synthetic approach to teaching reading.

**Reading Eggs** adheres to the blended/analytic approach to teaching reading and emphasizes phonics, building vocabulary, explicit instruction in reading comprehension, and opportunities to develop fluency.

**Reading Eggspress** provides continuing development of vocabulary, reading comprehension, and fluency once students have mastered the art of reading text.
